As many of you know we asked you earlier to keep the dates of **Aug 26-29** open for our 2008 eSchool. We have just been made aware that the school is filling so quickly that we need to act immediately if we are going to secure spots for our PEN participants. Before we give you the details of how to register, let me tell you why we are convinced this is one event you won't want to miss!

Special events for PEN Participants at the school in 2008:

For those of you that were at our 2007 school you know one of the highlights was a general session where **Rev. Cliff Barrows** shared his heart with the entire school. Comments like "It was worth the whole cost for that one session were common." We have secured a special hour for PEN participants with Cliff on Friday morning. He will open his life of over a half century of evangelistic passion with us personally. It will be worth the cost of it all.

Rev. Tom Phillips has agreed to unlock the principles that the Graham organization has learned in over 50 years of proclaiming the gospel with us. He will lead us in 4 hours of unpacking those principles and applying them to whatever size ministry we are presently involved in. Tom is a gifted communicator and Vice President of Crusades for BGEA.

All of this plus everything that is included in the regular BGEA School of Evangelism. You must register immediately to secure a spot.
